Re: No. C00347591

Dear Mr. Culberson:

As a follow-up to your letter dated June 14, 2011 seeking more information about the loan to the committee, and my response dated July 8, 2011, we are enclosing a Schedule A. As noted previously, Mr. Byrne loaned himself money on three occasions as detailed in our report, including a \$500,000 loan from his own personal funds in 2008, and has simply left the money in the campaign committee account for a period of years. There is no endorser or guarantor, and are no terms other than payable at will. He simply wrote checks from his checking account.

We trust that this form, though it adds nothing substantive to our prior filings and response to your letter, will now satisfy your requirements. As noted earlier, if there is any misunderstanding on this end, we will be happy to make any additions, corrections, or further explanations that you may require.

Very truly yours,

David H. Pikus
Treasurer
